When You Think Of Selling Your Collection

FOR SPOT CASH OR AT AUCTION . . .

I invite you to write me for my terms and methods of sale. This will be furnished you without cost or obligation. It is well for you to remember that I have devoted my entire time to the Numismatic Profession for the past twelve years and was a part-time dealer and collector prior to that time. When you place your collection with me, you are assured of the security of your coins and the fulfillment of our agreement to the letter. My financial responsibility, as evidenced by the rating given by Dun & Bradstreet, Inc., is ample proof of this statement. (My bank reference is the Winters National Bank & Trust Company, Dayton, Ohio). My honesty and integrity with the collector is a matter of record of which I am very proud. You should, by all means, give these facts your careful consideration.

NEXT SALE — SEPT. 10th - 11th

5,000 Catalogues printed and mailed to active collectors.

ANOTHER SALE IN NOVEMBER

If you prefer to sell your collection for immediate cash, I am in a position, due to my extensive clientele, so that I can afford to and do pay more for collections than any other market.

Write me when interested. No collection is too large, and certainly none too small, to receive prompt and courteous attention.

Will call for personal interviews anywhere in the world if transaction warrants.

NEXT SALE

September 10-11, 1948

Deadline for consignments--June 1st

This will be just another of my regular sales. Nothing spectacular and most likely no records will be broken. Just a fine selection of all types of material desired by the average collector. Accurately graded and fully classified. Presented in a modest catalogue so that the cost to the consignor may be held to a minimum.

But!!!

I can and will put on SPECIAL SALES if desired and if collection warrants. All of the facilities are at my command for fine photographic work and making of fine Numismatic cuts. Dayton and vicinity is one of the paper centers of the world and the finest quality of papers are now obtainable.

I am fully qualified to handle not only United States coins but foreign and ancients as well.

My clientele (over 3,500 different, actual buyers) includes collectors of all types of material as well as all priced coins. During the past twelve years I have handled many of the world's outstanding rarities at public and private sale. (For example, three different 1913 Liberty Nickels; nine 1802 Half Dimes; three Strawberry Wreath Large Cents, one bringing the record price of \$2,750.00. Others too numerous to mention). I also have one of the largest and finest European and South American trades possible. This is important in the fact that I can sell rare items at equitable prices not obtainable in this country. I respectfully solicit your consignment or entire collection for my September or November Sales. You are guaranteed security by my financial rating — Dun & Bradstreet and Winters National Bank & Trust Company, Dayton, Ohio.
